Game Play:

- Two players throw water balloons at each other in this street fighter rendition of Water Wars.
- Player 1 uses W/A/D to move and Q/E to shoot.
- Player 2 uses I/J/L to move and U/O to shoot.
- Players start with 3,000 health.
- Each balloon hit subtracts from a players' health until it reaches 0 and the player loses the game.

Problems Encountered:

- Allowing the players to land on platforms below them
- Organizing a large number of functions

Future Improvements:

- Multiple backgrounds
- Music for backgrounds
- Randomized platform positions
- Character customization
- Combos
- Customizable game parameters
